Driving Directions

From Tucson International Airport

As you exit the airport you will be on Tucson Blvd. When you cross the Irvington Road intersection, Tucson Blvd. becomes Benson Hwy. as it bends left. Stay on Benson a short distance to Kino Pkwy. and turn right (North) onto Kino. Kino becomes Campbell Ave. after crossing Broadway Blvd. Stay on Campbell and refer to [Directions From Campbell Ave.](#) below

From I10 East or West

Exit at Prince Road # 254. Travel East on Prince for about 4 miles until you reach Campbell Ave. Turn left (North) onto Campbell and go about 1.5 miles. Refer to [Directions From Campbell Ave.](#) below.

In Tucson from the North, East or West

Take River Road to Campbell Ave. Cambric Corp. Center is on the SW corner of River & Campbell. Enter the parking lot just before the Rillito River and follow [Campus Directions](#) below.

In Tucson from the South

Take Kino/Campbell North to River Road and refer to [Directions From Campbell Ave.](#) below.

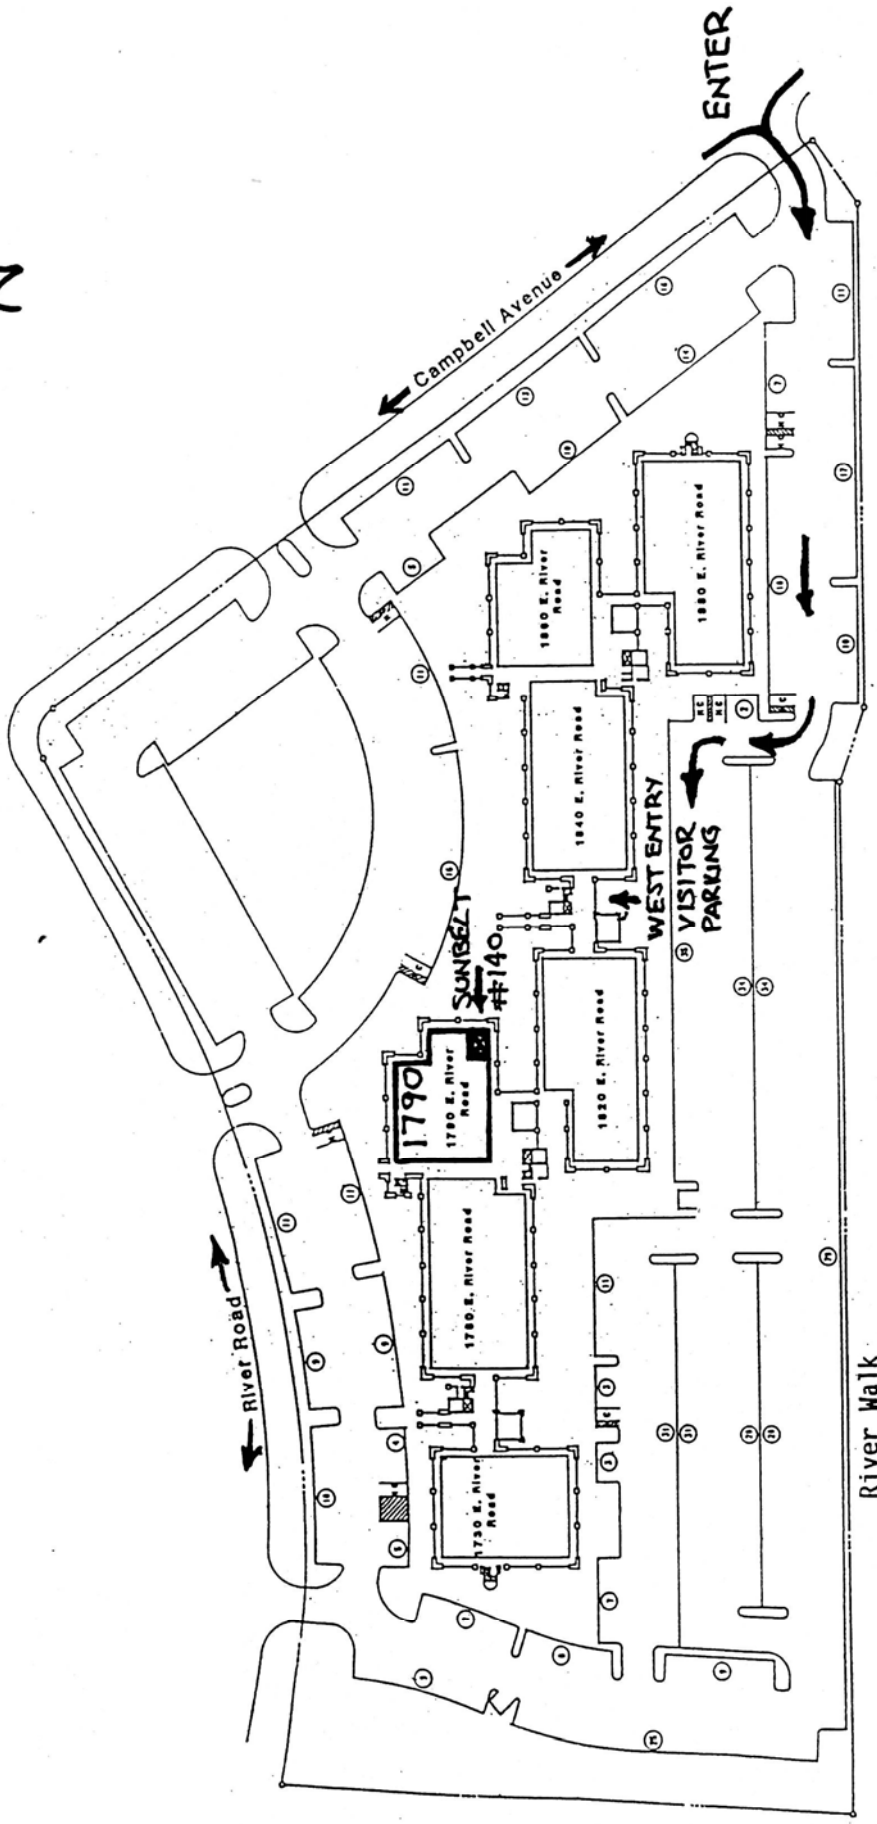

Directions from Campbell Ave.

If you are traveling North on Campbell, look for the Rillito River bridge (don't expect to see water, the river will probably be dry). Immediately after crossing the bridge turn left into the parking lot of Cambric Corporate Center. Refer to [Campus Directions](#) below.

Campus Directions

There are 7 buildings on this campus. Our building is #1790 but it is not visible from the parking lot. You will see directories posted in various places that will show the building locations. Our suite, #140 is on the corner of building 1790 next to the fish pond.
